# TEAM-BUILDING ACTIVITIES

## OUTDOOR ACTIVITIES

### Cultural Discovery

A race by local or public transport. Each team is tasked with finding locations on a map by solving cryptic clues. They can earn points and win the game by exploring these cultural hotspots and providing the right answer to challenges, tasks and questions.

### Beach Olympics

Competitive team-vs-team Olympic-themed event with a mix of games, including water balloon volleyball and beach sumo.

### Walk Rally

Treasure hunt around the resort or city by foot until the course has been completed or the “treasure” has been found!

### Island Discovery with Scomadi

It's no secret that the island is best explored on two wheels, so we've teamed up with renowned British scooter brand Scomadi to help you discover its delights.

### Koh Madsum Excursion

Take a traditional longtail boat for a day trip to the unspoilt sands of Koh Madsum. Cruise across crystal waters to a gorgeous beach perfect for swimming, exploring and snapping tropical pics in the sun.

## CSR ACTIVITIES

### School Teaching

Ranging from English to Geography and Art to Sports depending on the needs of the beneficiary.

### CSR Build a Bike

Compete in a team building games to earn and collect pieces of a bike to later assemble and donate to children of a local school or orphanage who come to the activity location to collect their bikes and meet the participants.

## INDOOR ACTIVITIES

### The Apprentice

Participate in a real-life business challenge while focusing on performance, goal setting and time management. In The Apprentice, teams will have a day to complete a business challenge based on their own business or a well-known brand.

### Inflatable Affair

In this hugely enjoyable program, teams compete in a series of games based on the use of inflatables such as sumo wrestling, gladiator jousting, zorb-ball racing, giant football, human hamster wheel, human table football, inflatable obstacle course and various balloon games.

### Chain Reaction

Teams compete to brainstorm a simple task, such as ringing a bell or switching a light on using basic household objects such as string, tape, paperclips. Depending on your time and budget, more advanced and ambitious chain reactions can be made.

## ADVENTURE ACTIVITIES

### Pirates of the Andaman

A pirates themed treasure hunt to several islands by private sailboats or speedboats in which teams compete as pirates in challenging games such as giant catapult, diving for clues and jungle orienteering taking place on the beach, in the jungle and in the sea ultimately to find the treasure that is hidden on the final island.

### By Any Means

Thrill seeking travellers navigate from A to B in a race against the clock with the aim to use as many different and unique means of transportation. Teams keep a video log of their adventure and immerse themselves in the local culture, while completing a series of challenges along the way.
