THE HOME OF *FESTIVE MAGIC* ON THE PALM

December is coming
TO THE PALM

Here, it comes a little differently.

With sunshine on our faces,
the sea at our feet,
and plenty of blue in the sky.

But the magic finds us all the same.

It brings people with it.

Some from far away.
Some from just around the corner.

There will be Christmas to celebrate,
a new year to welcome,
and plenty of reasons to stay a little longer.

This year, we'd love to be part of those moments,
the ones you'll take home and make part of your story.

The First Lights
OF CHRISTMAS

Every little bit of magic has to begin somewhere.

Ours begins in the lobby.

With Christmas carols sung by little voices,
and the first lights on the tree.

Then, little by little,
it will find its way through the hotel.

And that's how our festive season begins.

A Little Christmas
TO TAKE HOME

From there, the magic will find its way into the kitchen.

There'll be something roasting in the oven,
something sweet cooling on the side,
and all the smells that tell us Christmas is getting close.

Made slowly, generously,
and with plenty of love.

The only difference?

This time, you can take a little of it home.

It's never too late for Christmas Day.

By lunchtime, the tables will fill again.

This time, for the brunch we've been waiting all year for.

And the Christmas magic will still be there.

In the music,
in Santa making his rounds,
in the children somewhere between their plates and the piñata,
and in a table that always seems to make room for one more.

A lovely way to end Christmas Day,
together.

And then, Christmas will quietly make way
for those last few days of the year.

There'll be one more night to look forward to.

One more table to gather around,
one more midnight to count down to,

and a new year waiting on the other side.

And for the last night of the year,
we're taking the table outside.

Under the stars,
with the Palm around us,
and Dubai getting ready for midnight.

It's the night we dress up for,
stay up for,
and make plans for long before it arrives.

There'll be dinner, music and dancing,
a few resolutions made between friends,
and wishes saved for midnight.

Then, when the moment comes,
we'll count the last ten seconds together.
10, 9, 8...

And start the new year under a sky full of fireworks.
