

+++ Search candidates +++ Arrange interviews via system +++ Review, rate and interview candidates via mobile app +++

“Our new Applicant Tracking System has advanced features that will help our hiring teams to collaborate more effectively and provide a seamless candidate journey.”

“I’m really looking forward to leveraging SmartRecruiters to grow our talent pool and build our reputation in the market – but we need your help to achieve this.”

## HOW TO USE IT?

ACCESS SmartRecruiters through your desktop, OPEN up M-Portal (via Internet Explorer), SELECT SmartRecruiters under e-service menu

To logon to the SmartRecruiters MOBILE APP, use your Office 365 username and password

<https://minorgroup.sharepoint.com>

Get a Hiring Manager account and attend an online training session

# Recruitment was never that easy!
